

New Appointments

The Directors of Lyons are delighted to announce the following new senior appointments.

Principals

Nick Bourns
B.Arch (Hons)
B.AppSc Environ.
Design (Hons)

Nick is an accomplished senior architect with extensive experience in the design, briefing, co-ordination and delivery of large scale teaching and research facilities. Nick's experience has enabled him to develop a strong knowledge of the design and implementation of all stages of building projects with complex programmatic working environments as well contemporary teaching and technological requirements.

Codey Lyon
M.Arch (Hons)
B.Planning & Des.
(Hons)
B.Physio (Hons)

Codey has a Masters in Architecture and is a registered physiotherapist and brings both a strong design and clinical perspective to Lyons' healthcare projects. Codey is an excellent communicator who is able to develop high levels of rapport with all sections of the client group and is able to quickly facilitate design solutions at user group reviews and design sessions which optimise service delivery outcomes for clients and staff.

Adam Pustola
B.Arch (Hons)
B.Planning & Design

Adam specialises in the design of higher education, research and justice projects. His design leadership has contributed to projects across the scales of urban design, masterplanning, architecture and interiors. Adam is skilled in working closely with Lyons clients, consultants and contractors to achieve innovation in each new project opportunity. In 2013, Adam was the recipient of the Australian Institute of Architects 'Dulux Travel Fellowship'.

Associates

Sam Gardiner
B.Arch (Hons)

Sam is an accomplished senior architect with extensive experience in the design, briefing, co-ordination and delivery of large scale teaching, research and community facilities. Sam's experience has enabled him to develop a strong knowledge in the design and implementation of all stages of building projects with complex programmatic working and technological environments.

Samuel Hunter
B.Arch
M.Arch

Sam is one of Lyons' senior design architects who thinks conceptually and laterally through complex design challenges. Sam has developed a diverse set of skills across front-end design, client and user briefing, and documentation on projects ranging from culturally significant community facilities to large scale teaching and research buildings.

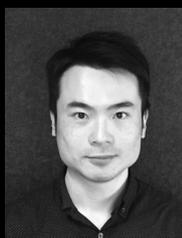

Kerrie Russell
B.Arch (Hons)
B.Arch Applied Art
B.Planning & Des.
(Arch)

Kerrie is one of Lyons' senior project architects leading Lyons team on many of the firm's major projects. Kerrie also has extensive experience working as a specialist laboratory facility planner and designer. She has expert briefing skills, distilling complex stakeholder needs and requirements into functional briefs, plans and designs.

Ross Heywood
B.Arch
B.AppSc Environ.
Design

Ross is a senior architect who has led Lyons team in the design of public and large scale institutional projects in the education, research and civic sectors. He has developed expertise in design leadership, briefing and the coordination of building projects. A strong understanding of complex programmatic briefs has enabled Ross to deliver successful built outcomes in contemporary workspace and new pedagogical teaching environments.

Elliot Wong
B.Arch
M.Arch

Elliot is a senior architect with extensive experience in the design, documentation co-ordination and management of Lyons large scale teaching, research and public projects. Elliot has a strong design awareness and with an attention to detail. Elliot also has expertise in managing project teams with complex multi-dimensional BIM platforms throughout all stages of a project, enabling the efficient delivery of complex projects.
